The President  
Renewable Energy Industries Association of Malawi,  
BLANTYRE.

**Attention: Mr. A. Mkoloma**

Dear Sir,

## **INVITATION TO WORKSHOPS ON CUSTOMS NEW MEASURES**

The Malawi Revenue Authority (MRA) plans to hold half-day regional workshops with Solar Products Dealers in Blantyre, Lilongwe and Mzuzu.

The main objective of the workshops is to explain and clarify the new Customs & Excise measures that were announced by the Government recently.

The Authority will also accord the participants an opportunity to ask questions on the new Customs measures and other issues of common concern.

In view of this, we would like to invite you and also request you to **invite 50 solar products dealers who are your members** to each regional workshop that would be conducted as per the attached schedule.

Please, note the workshops are for free but MRA will provide the conference hall and refreshments only.

May you confirm your participation by **calling Thokozani Chiwaya on 0888716672 or Mercy Malomboza on 0993634432.**

MRA values the good working relationship that exists between the Authority and your Association.

Yours sincerely,

Mc Hizzal Kawanga
