The *New Normal*

- Funders want to know the challenges and failures (e.g. CJIF, failure conference)
- Opportunity to share how hard, difficult and sensitive social change is
- If we don't tell the truth/whole story, Everyone loses! (*MDG achievement!*)

“What impact can the NGO sector point to in Malawi since they entered the fray versus the billions of dollars that have been spent on eradicating poverty?”

~ **Jack Mcbrams**, Nyasatimes article: “A Holistic Approach to Bullshit: How NGOs and the media have failed Malawians”, 27th December 2019
